Joseph L. Weiler of the postoffice department notified Chief of Police William J. The local detective force at once co-operated with the federal authorities in an effort to apprehend the

Is Against Parker.

Later in the day Mr. Bryan gave out the following formal statement:
"After conferences with a number of delegates from various sections I am satisfied that the opposition to Mr. Parker is sufficient to make his nomination improbable. There has been no concentration on any candidate, but two arguments have having weight with the delegates. Among the radicals the feeling is that the party must not be surrendered into the hands of Wall street. The influences back of the Parker candidacy are so intimately associker candidacy are so intimately associated with the trusts and great corporations that the Democratic party could ot appeal to the masses. The delegates from the Fhilippine islands have a plank that they will bring before the committee on resolutions. It calls for a more liberal provision for the islands than is called for in the Republican platform.

SIMPLE WAY TO CURE DYSPEPSIA

Take a Mi-o-na Tablet After Each Meal," Says F. C. Schramm.

Meal," Says F. C. Schramm.

With Mi-o-na there is no bother of guessing at the dose or using so many spoonfuls or anything of that kind. This valuable remedy for the cure of dyspepsia is in tablet form and is the simplest way to cure the disease.

"Just take one Mi-o-na tablet after each meal," says Druggist F. C. Schramm, "and in a few days you will find digestion improved, health returning and good, solid flesh added." This remarkable remedy is not a mere digestive; it mingles with the food and is readily-assimilated by the system. It aids digestion and regulates and strengthens the whole digestive tract, so that after its use for a short time healthy and natural action is restored to the stomach and bowels.

Mi-o-na may properly be termed a fiesh-forming food, as when it is used every part of the body fills out with solid flesh and all the outlines become heautiful and symmetrical.

Mi-o-na is not an ordinary pepsin preparation to simply aid digestion, but it is a scientific remedy that gives health and strength, firm muscle and pure
